5 Things to Know About the Governor Guinn Millennium Scholarship (GGMS)

1. The Governor Guinn Millennium Scholarship provides up to \$10,000 in tuition for up to 15 credit hours each semester to Nevadans attending post-secondary institutions here in Nevada;
2. The GGMS expires six (6) years after a student's high school graduation year or when the scholarship fund of \$10,000 has been exhausted, whichever comes first;
3. If students pre-pay for summer courses, they are reimbursed with the GGMS during the fall for courses passed with a "D minus" or above, providing you have used GGMS the Spring prior or the Fall following the summer semester.
4. There is no necessary application process for traditional high school students that graduate from a Nevada public, private or charter high school;
5. For additional information, such as the initial GGMS requirements, maintaining scholarship eligibility, or to register for a webinar, please visit www.nvggms.gov. to speak to the Millennium Scholarship team at the State Treasurer's Office, email MillenniumScholars@nevadatreasurer.gov.

Nevada Prepaid

1. What is Nevada Prepaid Tuition?

Prepaid Tuition is a qualified 529 plan that pays Nevada's in-state rate of credit hours at qualified two-and four-year public and private colleges or universities across the nation, and/or qualified trade schools.

2. What type of plans and payment options are available through Nevada Prepaid Tuition?

There are five different tuition plans, ranging from 2 years of community college to 4 years of university, and four different payment options available to choose from. Rates will vary depending on factors such as the child's age, the type of college, and number of credit hours you'd like to save for. You decide the options that are best for you based on your family's needs and financial situation.
