

THE NEVADA TREASURY - COLLEGE SAVINGS DIVISION 2024 QUARTERLY NEWSLETTER

HELPING NEVADANS NAVIGATE PLANNING, SAVING, AND PAYING FOR HIGHER EDUCATION

Welcome Message from Treasurer Conine

Over the past quarter, our College Savings Division has diligently worked to engage with Nevadans across the state. Our team has been committed to providing essential information on how to effectively plan, save, and pay for post-secondary education. We have organized numerous outreach events, workshops, and webinars to ensure that families have access to the resources and guidance they need to make informed decisions about their educational futures.

Your feedback and ideas are invaluable to us as we strive to improve and expand our services. We welcome any suggestions you may have on how we can better serve you and your educational planning needs. Please do not hesitate to reach out to my office if there is anything we can do to assist you. Your input helps us to continually enhance our programs and ensure that we are meeting the needs of our community.

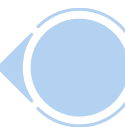

Feel free to contact me directly at ask@nevadatreasurer.gov. We look forward to hearing from you and working together to support the educational aspirations of Nevadans.

Sincerely,

Zach Conine
State Treasurer

Nevada Prepaid

Who are we? Nevada Prepaid Tuition is a structured savings plan that helps families start early to save for college. It offers 5 different plans, and 4 different payments options, that gives families flexibility and peace of mind of knowing that their child's future tuition is taken care of. It allows you to pay for tomorrow's tuition at today's rates and apply the value of credit hours purchased to both in-state and out-of-state eligible institutions.

For more than 25 years, the program has been helping families save and pay for their children's college tuition. To date, the program has paid out over \$157 Million in tuition benefits and has helped 9,487 students attend higher education at more than 300 institutions nationwide.
